The Centrals opened their baseball senson with a game Sunday afternoon at Montville, where they cleaned up the Montville nine by the score of 5 Runs-Windham Barely Escapes Shutout.

(Special to The Bulletin.)

Willimantie, April 21.-The opening baseball game of the ason for the Windham high school tine, played with the nine representng Norwich Free Academy on the South Windham field, Saturday after-1000, was a great disappointment to the local fans and students of the Windham high school, as their favor-ites showed up lementably weak in most instance, and sustained a crushing defeat, as evidenced by the 11-1

The visitors were much older, heavier and somewhat more experienced, and somewhat more experienced, and somewhat more experienced, and somewhat more experienced, and showed that they had received the benefit of some coaching whose left sons had been heeded. The base running, particularly of the Academy while the local youngsters played rugged ball in the field especially the shortstop and third buseman, and the base running of the Windham boys was a quality that was completely lecking.

The hig mistake of the day, made by the locais, was that Little should never have been started in the box. During the four innings or so that he was tried the Academy boys hammered in nine of their total tallies, which were helped to be registered by poor support on the part of the unfortunate pitcher's teammutes. It is believed that had Thompson pitched the full game that Windham would have shown up much better, as he sliowed but two runs, and appeared to be rather hard for the Norwich players to fathom. What interest there was in the game was soon lost and the in the game was soon lost and the spectators wended their way home-ward afterwards, decayly disappointed. Cheer up, Windham!
